

IMLS Connecting to Collections Bookshelf

The Washington State Library is fortunate to have received one of the sets of the Connecting to Collections Bookshelf provided by the Institute of Museum and Library Services, in partnership with the American Association for State and Local History, the Getty Foundation, the Henry Luce Foundation, and Heritage Preservation.

The Bookshelf consists of titles recommended by 100 conservation and preservation professionals. The materials provide a wealth of information to the nation's libraries and museums on the care and maintenance of their historic and cultural treasures. The Connecting to Collections Bookshelf titles in the following list are available for check out and interlibrary loan from the Washington State Library. More information on the Bookshelf may be found at <http://www.ims.gov/pdf/BookshelfGuide.pdf>
